Affordable Seating

Quality Assured

OPERATOR Seating

The workhorse of the workplace, the operator chair needs to be able to withstand the rigours of the modern office. From the feature rich Sisqo Plus right through the extensive Spice family of operator chairs to the tamper proof Diva, Sella has a solution for every environment, application and budget.

Committed

British Designed & Manufactured

Sisqo Plus Top of the range

With its deeply padded, sculpted seat base and back, the Sisqo Plus offers maximum comfort and posture support. Its smooth contoured lines provide a chair that has superb aesthetic appeal whilst the independent 3 lever mechanism and pump up lumbar support ensure the chair is easily adapted to individual needs. Polished chrome base as standard.

- Independent 3 lever mechanism and weight tension control
- Inflatable lumbar support adjustment
- Sliding seat
- Ratchet height adjustable back for more control
- Polished chrome base
- Also available with synchro mechanism

Diva

A class act

For environments where robustness is required, the Diva is ideal. A hard wearing, tamper proof high and low back operator, the chair has a concealed mechanism, push button gas height control and ratchet back height adjustment. With its classic design the Diva, however, does not compromise on looks and comfort.

Diva 5GS

- Tamper proof hand wheels on concealed mechanism
- Sturdy vandal proof hand wheel for back recliner
- Push button gas height control
- Ratchet back height adjustment
- Various arm options
