Supportive

British Manufactured

## TASK Seating

Designed to provide positive posture support, Sella's comprehensive range of task seating incorporates extensive ergonomic features. All chairs within the range are easily adjustable to help create comfortable and productive workplaces and provide all day comfort.

dynamik

24/7 comfort

Characterised by a double curvature back and an extra large seat with depth adjustability, the Dynamik takes office seating to an exceptional new level of ergonomic comfort. The 8 degree forward tilt, weight tensioner, gas height swivel, independent back height adjustment, adjustable arms and choice of high or medium back create the perfect posture. Optional adjustable headrest.

- Free float mechanism encourages movement whilst providing constant support
- Extra large sliding seat
- Optional multi-functional, width & height adjustable arms
- Guaranteed for 5 years for 24/7 use when upholstered in 24/7 fabric, available at an extra cost
- Optional polished base
- Width adjustable arms available
